SNOW DAY RETURN FORMULA

The district plans for six snow days during the school year. If some or all of these days are not used, they are returned as days off in the following order:

May 28, May 27, April 5, April 6, April 7, May 26

Due to bad weather in some years the district has been forced to use more than the six allotted snow days. Should this occur, the days will be made up using the following currently scheduled vacation days:

March 29, 2010
March 30, 2010
