

A Letter From Your Teachers

Classroom News

Welcome back to school! We are so excited to be most of your teachers AGAIN! We are looking forward to an amazing year together in Third Grade! This year will be filled with fun and engaging activities created to challenge and inspire all students to do no less than their best each and every day! We will be sending home monthly newsletters with important information and updates on what's happening in our classroom! Please continue reading for important information about our upcoming school year!

WHAT TO EXPECT THIS YEAR

We are so excited to kick off our new school year! We will be implementing new routines with your 3rd graders to challenge and engage them daily! You can expect to see nightly homework (Mon.-Thur.) for Math and continued nightly reading.

We will be having weekly spelling tests, many STEM challenges and activities, AND we will be partnering up with a 1st grade class to implement Book Buddies! Third Grade is the first year students will be taking The New York State Math and ELA tests. We will be working hard to prepare your students for their first year of these tests. More information to come in the Winter about state testing.

CLASSROOM SUPPLIES

We will always be sure to have enough supplies for each student in our class. Our supply list was sent home at the end of the '21-'22 school year and is attached to this letter. If you have trouble providing some, or all, of the listed items please do not hesitate to reach out. We will have enough for everyone but understand some students prefer to pick out their own personalized supplies.

We do ask that students come each day with a snack, reusable water bottle, and sneakers for P.E. days.

If you are interested in donating to our classroom supply, we tend to go through certain items rather quickly. Disinfecting wipes, tissues, hand sanitizer and Ziplock bags are always greatly appreciated.

Classroom Changes

As some of you may have seen, Ms. Spada has a NEW name! She recently got married and is now "Mrs. Bailey!" Mrs. Guido has retired, and we will have Ms. Kristina as our classroom TA! We will be utilizing our class Teams page even more this year to share important information, communicate with families, post photos of students, and display their school work! As always, Teams is a great way for parents/guardians to stay in touch with teachers throughout the school day.

Being in third grade brings a few additional changes.

We will be in a new classroom this year in the upstairs of JFK. Dismissal for "walkers" will take place at the front of the building at the door closest to the parking lot.

We are so excited to start off this AMAZING year with you! Please reach out with any questions via email or Teams!

With so much love,
Mrs. Bailey & Ms. Bauer
