Cathy Collins

Priscilla Lowe

Suzanne Jordan

A Note to Our Listening Audience

Welcome to one of our many music events in the Kingston School District! Both performers and audience deserve a quiet, non-disruptive listening atmosphere during each concert. In our mutual best interest, the music department staff requests that audience participants remain in their seats and refrain from conversation during the performance.

If children have been brought who are too young to understand the nature of a listening event, please exit the concert area and main hallway at any time, should the need arise.

Flash photography is prohibited during the performance, but photo opportunities will be provided. Also, please turn off cell phones and electronic devices.

It is unlawful to record music that is copyrighted. Therefore, video cameras are discouraged. If a parent wishes to videotape as a family keepsake, please be considerate of others in the audience by not blocking anyone's line of sight.

It is our goal that each concert performance will provide you and our young musicians with a positive, uplifting musical experience. Thank you for your kind consideration and for your continued support of music education in our schools.
