The letters regarding bus information have been mailed out. If you have access to the Parent Portal, you can check your student’s bus information there. If you do not have access to the Parent Portal, or you have questions regarding a bus stop, the Transportation Department can be reached at:

- 845-943-3050
- Transportation@kingstoncityschools.org (preferred)
- If you need to sign up for the Parent Portal, please reach out to your student’s school.

Understanding your letter

- To School – this line will contain the stop location and pick up time.
- From School – this line may be blank. PM arrival times at home have **not** been established. Once the bus runs for at least 10 regular school days, the drop off time for your student will be updated. In the event that there is a time, please disregard.
- Trip – the trip is the bus route your student is scheduled to ride on. If you see letters in the trip name, it represents the transportation provider.
