Dear KHS Parents and Care Givers:

Welcome to the 2023-2024 school year! I am so excited to welcome the students back to school! The first day of school is Thursday September 7th, 2023.

Students may enter the building starting at 7:15. We will continue to use bag checks when students enter the building. To ensure on-time arrival, please be aware that your child should be in their first period class by 7:45 am. Supervised waiting areas include the auditorium, field house, or eating breakfast in the cafeteria.

We are thrilled to announce that breakfast and lunch are available at no cost to our students.

Any student who is dropped off should use the KHS side of Broadway, Peter Street, or Andrew Street. Please do not use staff parking lots to drop off students. Student drivers must have a valid parking permit to use the KHS Student lot. Please allow time for bag checks when arriving at school.

By the start of school, all KHS students will have district-issued Chromebooks assigned to them which they will use during their time here and keep following graduation! This may decrease the need for school supply shopping, as many files and documents are available electronically through Microsoft Teams. Each teacher will let students know what specific supplies they need, and our high school always has extra supplies available for students who are unable to purchase them.

Our school uses a cohort model, and the support team information is located below:

STUDENT SUPPORT TEAMS 2023-2024

The counselor to which a student is assigned appears under the counselor alphabetically by last name.
