

**HAZARDOUS WASTE AND HANDLING OF TOXIC SUBSTANCES BY EMPLOYEES**

The Board of Education recognizes the need to protect human health and the environment from damage resulting from the improper handling and disposal of hazardous wastes.

The management of hazardous waste from its point of generation to the ultimate disposal is regulated through specific Federal and State laws.

The Board directs the Superintendent to adopt rules to ensure District implementation of applicable Federal and State laws pertaining to the identification, transportation, treatment, storage, and disposal of hazardous wastes.
