Principal

September 2019

Dear Parent/Guardian:

Throughout the school year, your son or daughter may be involved in an extracurricular activity or class at KHS that will be photographed or videotaped, or their schoolwork/artwork may be displayed. This may provide you with an opportunity to view your child as a participant in school related events. It will also help to present to the community the positive aspects of student involvement in school. These videotapes/pictures may be published in the local newspapers, put on district/school websites, and/or televised on the Public Access Channel or through Time Warner Cable. Photographs may also be used in district publications and/or posted on the district website. Your child's name may or may not be mentioned and his/her voice, likeness, statements, actions or other information may be used.

If you **do not** want your child to be videotaped, photographed or their schoolwork/artwork displayed, you must complete the sign-off sheet attached below and return to your child's teacher immediately. If this form or a written note is not returned to the school, your child will be photographed or videotaped and your child's image, likeness, voice or other information may be used.

Sincerely,

Vincent R. DeCicco
Principal
